Collection and processing of personal data

You may visit our website without disclosing who you are. Information about usage patterns such as the time and date of the usage, the amount of data sent, browser, referral domain, the geographic location of the user and the name of the files sent are collected for the purpose of statistical evaluation. We will use this information for the purpose of evaluating your use of the website, compiling reports on website activity and providing other services relating to website activity and internet usage. This data does not enable us to identify you, and we use it in an anonymous way. We do not collect or store the IP addresses.

We collect personal information, when you choose to provide it voluntarily. Usually this occurs when a business relationship is established in the context of a reservation request.

Analytic tools and services (Google Inc. (www.google.com/analytics/en-GB/) and Contens â€žStatsâ€œ) are used on the websites of TANG DYNASTY GROUP OF HOTELS to analyze how users navigate on the site and how to optimize its usability. These tools use 'cookies', which are text files placed on your computer. The information generated by the cookie about your use is made anonymous or it is used under a pseudonym. The data is not used to identify the visitor of the site.

Personal information encompasses personal details, which are entered, when you place a request such as your name, email address, mailing address and phone number. Additional information is required for some activities such as a hotel room booking to process the reservation e.g. your credit card number, CVV and expiration date. TANG DYNASTY GROUP OF HOTELS is committed to ensure that your information is secure. We have put in place suitable physical, electronic and managerial procedures in order to prevent unauthorised access or disclosure to safeguard and secure the information we collect online. This personal information is transmitted only in a secure and encrypted manner.

Use and processing of data

In case you choose to use services of TANG DYNASTY GROUP OF HOTELS, we collect data that is necessary for the service you requested. If we ask you for more information, it will be on voluntary basis. We use this information to process and fulfil your service request, i.e. a room reservation.

The deletion of personal data on our website happens, if you revoke your agreement to store it or if it is no longer necessary for us to store to it to fulfil your service request or if the storage is not permitted by law.

Personal data transmitted to 3rd parties

We use and process your data for marketing and promotional purposes only if you indicate that you wish this to happen. In case you choose to use services of TANG DYNASTY GROUP OF HOTELS, data will be transmitted in order to fulfill your service request, i.e. data with the details of the room reservation will be transmitted to the requested hotel.

We will not sell, distribute or lease your personal information to third parties unless we have your permission or are required by law.

Use of cookies

A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you agree, the file is

added and the cookie helps analyse web traffic or indicates when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.
